

2018 Star Brood Cow Award

Applications close 14 September 2018

Conditions

1. Must be a member of Holstein Friesian New Zealand to nominate animal(s) for Star Brood Cow award(s).
2. A registered Holstein Friesian cow shall be credited with one star for every six points gained by her progeny, provided that three or more of her progeny have earned points.
3. When ET progeny have contributed to points, this must be indicated whenever a star award is published (eg. Smithy Zane Lucky 5*ET).
4. A cow can be nominated at any time, including posthumously up to five years her death. She may be re-nominated any number of times subsequent to the first nomination.
5. If the member nominating the cow for Star Brood status does not own the cow, then written permission will be sought from the owner before the nomination is accepted.
6. All results are available for publication.
