

FIELD OFFICER

Holstein Friesian New Zealand represents New Zealand's largest Dairy Cattle Breed and we are currently seeking a self motivated and self managed Field Officer to join our Waikato based team.

The ideal candidate should have an extensive knowledge of the New Zealand dairy cow and be proficient in recognising functional strengths and weaknesses, including conformation traits.

Key responsibilities will include proactively seeking new and servicing existing members, along with assisting to run our successful Black & White Youth programme. A high level of a proactive 'can-do' attitude will compliment strong people skills which will enable the successful candidate to form a good working relationship with members of the Association and the wider dairy industry.

Strong organisational and written skills along with a good working knowledge of the Microsoft Office Suite are preferred for the successful applicant to fulfill this position.

Extensive travel throughout New Zealand will be required during the year, to ensure that the Association is well represented and that members and non-members are well serviced. A company vehicle will be provided to the successful applicant along with a salary package that reflects the successful candidate's skills and knowledge of the NZ Dairy Industry.

To apply for this position please forward your CV **by no later than 26th February 2010** to;
