

Holstein Friesian New Zealand - Merial Ancare

2010/11 PROGENY COMPETITION

Promoting Productivity

CONDITIONS OF ENTRY

- Entries limited to members of Holstein Friesian New Zealand residing in New Zealand.

- **SECTIONS**

There are two sections, Senior & Junior with THREE prize winners in each section.

Senior Team is made up of **5** daughters from one sire. Daughters to be older than 2yr, 6mths at calving and have calved and been tested in the 2009 or 2010 calendar year. (Senior teams may include one Junior.)

- All cows not previously classified must be in milk at the time of inspection (Oct 2010 - Feb 2011). Cows must have been milked at the normal time.
- For previously classified cows which are dry at the time of inspection, the udder and overall points score from their last classification will be used to determine type points.

Junior Team is made up of **4** daughters from one sire. Daughters to be under 2yrs, 6mths at the time of calving, and be in milk at the time of inspection (Oct 2010 - Feb 2011).

- **COW QUALIFICATIONS** - Entries must be registered Holstein Friesian with a minimum of F12. All animals in a team must be owned by one family and milked in the same herd.
- **SIRE QUALIFICATIONS** - The sire of the team must be a registered Holstein Friesian.
- **VERIFICATION** - The office will verify all animals through the national database but registration reports & certificates must be available to confirm the identity and ancestry of all entries.

CALCULATION OF POINTS

1. TYPE POINTS

Calculated by using the udder score between 4 and 9 and the final score between 81 and 90 given by the Classifier while carrying out TOP inspections scheduled from October to February. **Therefore, all animals must be submitted for classification or, if previously classified, be available for inspection in the year in which the competition is held. They will be re-assessed for competition entry.**

- a) **Udder Score**
3 Points for each udder overall score above 4 (max 15pts)
- b) **Overall Award**
3.5pts for each score over 80 (max 35pts)

81 = 3.5pts	85 = 17.5pts	89 = 31.5pts
82 = 7pts	86 = 21pts	EX = 35pts
83 = 10.5pts	87 = 24.5pts	
84 = 14pts	88 = 28pts	

2. PRODUCTION POINTS

(Taken from Database as at 1st May 2011)

- a) **Production Worth** - 1 point for every 8 PW points above \$0 to a maximum of \$200 (max 25pts)
- b) **Protein BV** - 1 point for every 2kgs of Protein BV above 0kg to a maximum of 50kg of Protein BV

Animals may be substituted at the time of inspection - i.e. for ill health, death etc.
