

Superior Production Award

Application form

NAME OF MEMBER:

ADDRESS:

NAME OF COW:

HERD BOOK NO/BIRTH ID:

A COW MAY QUALIFY FOR AN SP AWARD ON EITHER CONDITION (A) OR (B) OUTLINED BELOW.

a) If a cow has compiled five production records (not necessarily consecutively) of 100kg fat or 100kg protein for no more than 305 days per lactation above the breed average for her age, or LW of 235 for five lactations (not necessarily consecutively).

B) If a cow has compiled a lifetime total of at least 2300kg fat or 1840kg protein, including excess, or PW of 120/80 over eight lactations.

(Breed Average for each age group each season can be located in the front pages of the Holstein Friesian New Zealand Performance Register)

| SEASON | AGE | ACTUAL | | BREED AVERAGE | | SEASONAL LW |
|--------|-----|--------|---------|---------------|---------|-------------|
| | | Fat kg | Prot kg | Fat kg | Prot kg | |
