

# Superior Production Award

---

***For cows whose seasonal production is significantly superior to her age group average or her lifetime production exceeds set limits.***

## General:

<b>Awarded:</b>	Listed in Performance Register/Certificates/Website	<b>Presented at:</b>	Time results confirmed
<b>Entries out:</b>	All year	<b>Closing date:</b>	All year
<b>Entry fee:</b>	\$11.50 (incl. GST) charged direct to account	<b>Notify:</b>	Applicant

## Conditions:

1. Any registered Holstein Friesian cow shall be eligible to apply for a Superior Production Award, provided that she is owned by a member of the Association at the time of application.
2. All results are available for publication.
3. Cows can now be nominated for a Superior Production award for up to 12 months after their death.

## Qualifications:

### A. **Seasonal Production**

If a cow has compiled five production records (not necessarily consecutively) of 100kg fat or 100kg protein for no more than 305 days per lactation above the breed average for her age, or LW 235 for the five lactations. *(Breed averages for each age group each season can be located in the front of the Holstein Friesian New Zealand Performance Register)*

### B. **Lifetime Production**

If a cow has compiled a lifetime total of at least 2300kg fat or 1840kg protein, including excess, or PW 120/80, over eight lactations.
